## FLOWER SEED CROP REPORT

Numerous items are marked 'sold out'. Of them, we expect fresh 1952 crop in soon. If you wish bookings for forward delivery, we are prepared to quote. All items priced are available for immediate shipment.

The late rains in most European and Japanese flower seed growing sections have played havoc with the crops.

**PHLOX** is but a 15% crop. We shall have some Art Shade colors and drummondi mixed. Quantities will be insufficient for general offering. Inquire for prices.

**PORTULACA** crops, both single and double, are unbelievably short. We normally have four to five times larger inventories of these important items.

**PETUNIAS** are still being harvested. Our impression is that they will be extremely short in both separate colors and mixture.

**SALVIA DOMESTIC** — St. John's Fire, our dwarfest type was caught in an early frost which did not materially hurt the taller types which are now in stock. There is a small surplus of the following:

Salvia splendens .....	\$17.00 lb.
" America .....	21.00 "
" Blaze of Fire .....	30.00 "
" Bonfire .....	19.00 "
" Firebrand .....	20.00 "
" Zurich .....	21.00 "

**SALVIA IMPORTED**, we are told, will be delivered only in small fractions of quantities booked.

**PANSIES** for the second year in a row are short. Both domestic and foreign crops are less than last year. We have had to restrict offerings to ounce quantities of many of the more popular Swiss Giants separate colors in which we specialize.

**CANDYTUFT SEMPERVIRENS** White is almost a complete crop failure. We have moderate stocks.

**DELPHINIUMS**, in particular our Pacific Gt. Hybrid colors, are in good supply and quality. On the strength of flower quality and high germination, our sales are increasing substantially. We have enough seed to take on new accounts both large and small.

**CHABAUD CARNATIONS** — Shortages are reported in most all colors and in two or three of the Grenadin colors.

**ANNUALS** such as Asters, Calendulas, Centaureas, Cosmos and Zinnia promise to be plentiful. We are prepared to make specially attractive offers where quantities are desired. Already harvested and in surplus are about 1,000 pounds Cleome pungens Pink Queen (a dandy All-American Winner).

**SEEDLESS WATERMELON SEED** — available for immediate delivery. Price per 1000 seeds, f.o.b. Yokohama. 1,000 seeds \$15.00; 5,000 seeds \$13.00, 10,000 seeds \$12.00.
